Definitions

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. You have the right to cancel on or before _____. If the student cancels under the Right to Cancel, the school will refund the student any money the student paid, less registration or administration fee not to exceed \$250.00.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: 2027 W. March Ln., Suite 3, Stockton, CA 95207. This can be done by mail or by hand delivery. Cancellation may also be done electronically by email at info@altamonthealthcare.com.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00, less any deduction for equipment not returned in good condition, books and manuals ordered, and other materials opened, within 45 days after the notice of cancellation is received and less the prorated cost of attendance prior to cancellation.
6. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

REFUND COMPUTATION

Registration fee is nonrefundable. Textbooks, materials, and uniforms are nonrefundable when ordered or opened or not in good condition, as these become student property. The refund policy for students who have completed 60% or less of the period of attendance shall be a pro rata refund. Tuition cost may be refundable when notice for withdrawal/cancellation and request for refund is made on or before 60% of the total number hours of the course occurs regardless of student attendance. When refund is due, the total tuition cost will be prorated to convert into hourly tuition cost and the amount in excess of the class hours held after notice of withdrawal is provided shall be due to the student. When more than 60% of the class hours are held when notice of withdrawal/cancellation is provided, student shall be liable for the total charges of the program.
